To
The Deputy Commissioner
Kendriya Vidyalaya Sangathan
All Regional Offices

Sir/Madam,

Now that the Result of class X and XII examinations have been declared and the students of Kendriya Vidyalayas have done exceptionally well, I would like to congratulate all of you for your hard work and sincere efforts which has made it possible for KVS to achieve unprecedented success this year.

I would also like to congratulate all the students, teachers, Principals and other staff in the Kendriya Vidyalayas for achieving such excellent results this year. Success is always achieved through team work and all the other officials in the Regional Offices who have contributed to this also deserve to be congratulated.

Since 2011, Kendriya Vidyalayas have improved their results year after year and have now achieved a pass percentage of 99.67 in class X and 97.42 in class XII. Kendriya Vidyalayas have always stood for quality education and excellence in the field of school education. Excellence requires continuous effort and hard work on regular basis. In the past few years we have proved that this can be achieved through determination and competence. I am sure we will continue to work hard with the same spirit and produce even better results.

We all know that though the pass percentage is used as a yardstick for judging the performance of a school or schooling system but the quality of result is also equally important. Now that we have achieved a significantly high pass percentage we should also focus on the quality of result. Though this year the Performance Index has improved compared to last year in class XII results but there is a lot of scope for improvement.

It is heartening to note that this time most of the regions have improved their pass percentage and some regions who have shown a substantial increase, their efforts need to be specially appreciated. A couple of regions have not done very well. They need to take a cue from the other regions. I am sure they will be able to achieve better result next year.

Please convey my congratulations and best wishes to all the Principals, teachers and staff members of all the schools in your region also.

Yours faithfully

(Avinash Dikshit)
Commissioner
