### MESSAGE

India celebrates Teachers' Day on 5<sup>th</sup> of September every year showing its gratitude and appreciation to all teachers. I on behalf of KVS salute all the teaching staff of Kendriya Vidyalaya Sangathan on this special day remembering Dr. Sarvepalli Radhakrishnan, the great leader and philosopher. Teachers' Day seeks to acknowledge the sincere contribution of teachers in nation building. I wish to make this day special for all our KVS teachers.

A teacher is a yardstick to measure the achievements and aspirations of a nation. Worth and potential of a nation is evaluated through the performance of a teacher. Teachers are nation builders. As Dr. Radhakrishnan said "You cannot make or build the nation by just bricks, you have to establish the minds of young people, then alone can the nation building take place."

While commemorating the birth anniversary of Dr. S. Radhakrishnan, KVS thanks all its teaching fraternity in their continuous efforts in helping our students to manifest their infinite potentiality and in developing self-reliance to become a good citizen. We also recall and acknowledge the immense contributions of countless teachers of not only our vidyalayas but of our nation who are shaping the future generations.

A true teacher not only teaches academic lessons to students but very slowly & steadily shapes the inner character of students. None of the accomplishments of the great people of the world could have been achieved without the guidance of a teacher.

Our special salutations to those teachers who guide and take care of specially abled children in our vidyalayas.

I pay my reverence and gratitude to all the Kendriya Vidyalaya teachers for their selfless efforts in shaping career of our students and enriching the education system in the process. Someone rightly said "GURU BINA GYAN NA HOI".....no knowledge without a teacher.

JAI HIND!
