Subject: Celebration of National Mathematics Day and Mathematics Week in December, 2014-reg

Madam/Sir,

It has been decided to celebrate **National Mathematics Day- 'GANIT'**- "Growing Aptitude in Numerical Innovations & Training" in all Kendriya Vidyalayas on 22nd December 2014, the birthday of Shri Srinivasa Ramanujan, the great mathematical genius. In order to mark this occasion in its true spirit and to actively promote the interest of students in mathematics and its application, all Kendriya Vidyalayas are directed to organize week long events starting on 16th December 2014 leading to culmination at formal function on 22nd December, 2014. In line with the spirit of GANIT, the week long activities may highlight the contributions of Bhaskaracharya II to mathematics and its modern day application. The aim of the GANIT week will be to sensitize and encourage students and teachers towards Mathematics education.

The suggested activities are:

- Lectures on Mathmatics by Eminent Scientists/Mathematician of locality
- Essay writing competitions
- Quiz competitions
- Experience sharing on innovations by teachers and students
- Screening of films produced by Vigyan Prasara
- Origami & Poster Competitions.

The activities mentioned above are only illustrative and Vidyalayas may opt for other creative activities also. In order to create interest in and aptitude towards Mathematics among the students, prizes and certificates should be awarded to them for participation in the activities. A detailed report on week long activities along with some good photographs and video may be uploaded on website of KV. Similarly, report of the region with photographs and video may be uploaded on Regional Office website and also forwarded to this office. A brief report in following format (excel sheet, soft copy) may also be forwarded to this office by e-mail on e-mail ID ac.acad4@kvsedu.org by 23.12.2014 -

Sl. No.	Name of Region	No. of students participated in School level activities and competitions of National Mathematics Day/ Mathematics Week	No. of prizes awarded for participation in School level competitions of National Mathematics Day/ Mathematics Week

At the Regional level, Excellence, Innovation and Experimentation in the field of Mathematics should be recognized and three best entries, of teachers and students separately, be awarded. Every Region should identify one best teacher as well as one best student, who contributed in the area of Innovation and Experimentation in Mathematics and forward the same to KVS Hqrs by 10th December, 2014 for the needful.

(Cont. page 2)

All Kendriya Vidyalayas also need to be directed to access the CBSE website for needful information regarding competitions organized to celebrate Mathematics Week from 16th to 22nd December, 2014. The Regional Offices are requested to direct the vidyalayas under their jurisdiction to ensure maximum active participation of students and teachers in the celebration of National Mathematics Day and Mathematics Week.

Yours faithfully,

05/12/14
(Dr. Shachi Kant)

Joint Commissioner (Trg.)
