MESSAGE

Teachers' Day is celebrated every year on the birth anniversary of the former President Dr. Sarvepalli Radhakrishnan, a great philosopher and an illustrious teacher. The spirit behind this day is to mobilize support for teachers as well as appreciate their role in creating a new society. We find guidance, friendship, discipline and love, everything in one person and that person is our Teacher. Teachers are a significant part of everyone's life. They show the right path and groom its students to become a better citizen and a better person. They teach the students to face the most difficult challenges of life and get through them, easily.

It is my great pleasure in greeting the teachers of the country and conveying to them my good wishes on the occasion of Teachers' Day.
