To

The Deputy Commissioner
KVS, Regional Office
Delhi

Subject : Dengue – Advice on mosquito control and prevention

Sir,

In the wake of rise in breeding of Aedes mosquitos, MCD has time and again appealed to all Govt. departments, autonomous bodies, schools etc. to take adequate steps to prevent mosquito breeding. With regard to this, all the vidyalayas under your region may be advised to take necessary precautionary measures. Instructions be circulated asking students to wear full sleeve shirts and trousers, especially primary students.

To avoid any health threats, it may be ensured that all Kendriya Vidyalayas of Delhi Region are doing their best to keep the campus clean and mosquito free. Fogging be done either through MCD or KV fund so as to prevent breeding.

For immediate compliance please.

Yours faithfully,

(G.K. Srivastava)

Additional Commissioner (Admn)
