10th December, 2013

Sub: The Principals' Conference scheduled at New Delhi on 19th and 20th December 2013.

Madam/Sir,

We are celebrating the completion of 50 years of the splendid journey of KVS and the year long celebrations would be culminating in the Principals' Conference to be held at the Sarvepalli Radhakrishnan Auditorium of KVS on 19th and 20th December. The theme of the Conference would be "Emerging trends in School Education". An elaborate schedule is being planned for the two day Conference and would be shortly intimated to all concerned. However, one session of panel discussion is being planned involving all the Deputy Commissioners and Directors of ZIETs. The following would be the modalities of the session of panel Discussion.

1. There would be 5 panels involving 6 Deputy Commissioners each.
2. Each panel would dwell upon one given topic and the discussion would last for 30 minutes.
3. Each panel would have a Convener, who would initiate the discussion on the given topic (Time allotted is 5 minutes).
4. Each panel member would then be given 2 minutes to speak on the given topic.
5. The discussion would then be open to all delegates for fruitful interaction (Time allotted is 15 minutes).

The objective of this exercise is to give vent to the opinions and provide a platform for sharing the experiences and thoughts of all Officers. The time slot is very small and all the Officers are requested to be brief and to the point.

The details of the panels, their Conveners and the topics allotted are enclosed. You are requested to come well prepared for the discussion. The presentation in the form of power point presentation and/or text should also be submitted by E Mail to the undersigned by 18/12/2013.

It is hoped that the Two day Conference would provide for a deep insight into our working and serve as a befitting platform for rededicating ourselves to the cause of education at KVS.

Yours faithfully

(Dr V. Vijayalakshmi)
Joint Commissioner (Acad)
