To,

The Dy. Commissioner,  
Kendriya Vidyalaya Sangathan,  
All Regional Offices,

Sub:- Approval of preliminary Drawings

Sir/Madam,

It is observed that even though instructions have been issued by this HQ some of the principals are not-getting preliminary drawings of School buildings, additional class rooms etc. (line plan and location plan) approved by DEO (in respect of Defence sector KVs and chairman, VMC in other KVs before starting the construction work by the construction agencies. This will lead to complications and objections from sponsoring authorities in due course citing that no approval for construction is obtained from them.

It is once again reiterated that in no case work should be started without getting preliminary Drawings approved by concerned authorities and keep set of approved drawings in the record of the vidyalaya. The matter may be brought to the notice of all principals of KVs under your region.

Yours faithfully
