

Every year the Foundation Day of the Kendriya Vidyalaya Sangathan is celebrated with great enthusiasm. The Foundation Day of KVS is remembered with pride and its great achievements and triumphs are revisited on this day. The entire Kendriya Vidyalaya family celebrates the vigour with which every individual has made their contribution to bring glory not only to themselves, their school, the Sangathan but also the Nation.

2. This year 2013 is a landmark in the history of the KVS. It marks the 50<sup>th</sup> year of start of operations of Kendriya Vidyalayas. It is a time for exulting in the trend setting and path breaking contribution of this institution to quality education in the country. It is a time to applaud the hard work, honesty and sincerity of all those who have contributed to making the Sangathan a shining star.

3. On this occasion, let us take a pledge and commit ourselves to improve the functioning of the Sangathan further. This can happen only with constant review and assessment of our work and constant endeavour to accept change, the change of mindset, change in the public dealing and change in the very way we conduct ourselves in our day to day routine.

4. We have achieved a great deal in every area, whether it is capacity building, introducing technology, settling grievances and improving efficiency. A lot still remains to be done. Excellence must percolate to every activity. Technology must be adopted to improve functioning at an even more rapid rate and above all we must keep enriching ourselves by opening our minds to new ideas and thoughts.

5. I congratulate all officers, staff and teaching community for their relentless efforts which have made it possible for the Sangathan to maintain its high standard of excellence.

My best wishes on the occasion.
