Personal Attention

F. No. 110240/ 04/ 2013 - KVS (HQ)/ Budget/ ₹

Dated: 18.02.14

The Dy. Commissioners
All Regional Offices and ZIETs

Sub: - Fee Collection through banks.

Sir/ Madam,

In continuation to our letter of even no. dated 06.02.2014 on the above mentioned subject vide which it has been submitted that KVS (HQ) has issued an EOI (Expression of Interest) from Public Sector Banks for collection of quarterly fees from 1091 schools. The salient feature of collection of fee through bank is given below:-

This system will be implemented during the financial year 2014-15, starting from Vidyalayas of one Region during first/second quarter and gradually covering all of the schools in all regions by end of FY 2014-15.

An unique identity Code (UID) will be allocated to all of the students studying in the school. (First two digits for region, next four digits for school, next two digits for year and next three digits for students). This unique Code will enable to deposit fee from any part of India.

The fee will be collected on line as well as off line except cheque. The funds of Regional office as well as Headquarters will be automatically transferred by the bank at specified date.

The MIS as required by Accounts Code and Education Code will be generated automatically from system. In addition to this system will generate reports i.e. class wise/section wise fee collected and not collected, gender wise report, category wise report, RTE students report, fee exempted category report as well as any other report suggested by school/ Region.

The complete data of each student is to be uploaded quarterly on the selected bank site as happens in case of UBI portal salary. Each school will be provided access right to generate its report from time to time.

Yours valuable suggestions are welcome to make it a robust system.

(Rajesh Yadav)
Deputy Commissioner (Fin.)
