Circular for Kendriya Vidyalaya Schools for Participation in WWF-India Wild Wisdom Quiz 2016

Primary and Middle School Level (Class 3 - 8)

Kind attention to all the Heads of Kendriya Vidyalaya Schools

SUBJECT: Invitation for participation to WWF-India's Wild Wisdom Quiz 2016

WWF is one of world's largest and most respected conservation organizations, with scientific knowledge and innovations at the heart of its work. We, at WWF-India, recognize the role of students as major stakeholders and guardians of this future - and we are sure you do too.

WWF-India invites Kendriya Vidyalayas across India to join us and participate in our biggest environment awareness activity yet – the **Wild Wisdom Quiz**, which is currently in its ninth year running and is the only national level wildlife quiz in India.

Wild Wisdom is a platform that encourages students to research and appreciate the incredible biodiversity around them in a crucial step towards cultivating conscious custodians of the environment. The theme for Wild Wisdom 2016 is **Evolution and Biodiversity**.

The quiz is open for **Primary (Class 3-5) and Middle (class 6-8) school levels** and will take place in School level, City level and National Level. Please visit our website quiz.wwfindia.org/wwq for further details and registrations. **The last date for registration is 31st July 2016.**

We look forward to tremendous participation and a wonderful partnership in environment education. Together, we can bring nature and the environment into the mind-space of our future leaders and decision-makers.
