To

The Assistant Commissioner  
Kendriya Vidyalaya Sangathan  
All Regional Offices

Sub.: Construction of additional rooms to convert/upgrade school buildings of  
KVs – reg.

Sir/Madam

The matter relating to up-gradation of existing school buildings for implementation of the decisions of "Academic Advisory Committee" (AAC) to restrict class strength and "Board of Governors" (BOG) to provide more class rooms in Defence sponsored KVs assumed significance and priority at present. The inputs obtained by Deputy Commissioner(Acad.) from your office have a lot of inconsistencies and confusions. It has, therefore, become difficult to plan and construct required No. of rooms clear picture not emerges from the inputs received in this regard.

02. Hence, the information received from 15 regions comprising the name of 201 KVs (115 in Defence Sector + 86 in Civil Sector) has been placed in the meeting of all stake holders held under the Chairmanship of Additional Secretary(HE), Ministry of HRD & Vice-Chairman, KVS on 26/11/2009. Committee decided to provide additional accommodation in those KVs having enrolment of students in Category I to III more than 75% of the total enrolment of the school. Accordingly a list of 79 KVs as given in the Annexure-I has been drawn. Out of it in 15 KVs as per Annexure-II Sangathan in the recent has already sanctioned some additional class rooms & works are at different stages of construction. In 07 KVs as given in Annexure-III drawing & estimates are under preparation with respective construction agency. However, in the remaining 57 KVs as per Annexure-IV the proposal (i.e. plans & estimates) have yet to be finalized for implementation of AAC & BOG, KVS decisions.

03. For the sake of convenience to work-out requirement of additional class rooms & to have fair idea about the requirement of additional rooms for conversion/upgradation of existing school buildings to implement AAC & BOG, KVS decisions, a format has been designed and enclosed at Annexure-V. While submitting the proposals, this format may be invariably filled in properly and submit estimate for the balance scope worked out at (A) & (B) alongwith line plan/location plan drawings of proposed rooms for approval and issue of AA&ES without delay.

-: 2 :-

04. It may be noted that proposals/estimates received without the format will not be entertained. The contents and format may be circulated to all the Principals of KVs concerned of your region. The format could even be downloaded from KVS website.

05. Similarly, in respect of KVs functioning in the temporary accommodation provided by respective sponsoring agency & KVs functioning in the Project Sector/Institution of Higher Learning, you are hereby directed to approach Chairman, VMC of KV concerned to arrange additional class rooms for these KVs as KVS is going to implement the decisions of AAC & BOG, KVS from next academic session and lack of required accommodation will resultantly lead to denial of admission and thus an infringement of their rights to get education.

Encl.: As above

Yours faithfully,

  
(Dr. U. N. Singh)

Joint Commissioner(Acad.)

Note:-

- (i) Tick the type to which the existing school building is to be converted/upgraded  
(ii) Indicate availability of rooms and balance requirement against each room (from S.No. 1 to 21)  
(iii) Add required additional number of class rooms, if any, over and above the norms, considering:-

No. of class rooms required

(a) Academic Advisory Committee decision to restrict class strength \_\_\_\_\_

(b) Decision of BOG to construct more class rooms for Defence sponsored KV's \_\_\_\_\_

Total number of class rooms required over and above the space norms of KVS \_\_\_\_\_ (B)

- (iv) In case size of particular room is to be increased to make it as per norms, any adjacent room on either side can be converted subject to structural stability of the building. The room to be converted may be taken in balance requirement mentioning remarks. If the present size is manageable, no conversion shall be made  
(v) While mentioning availability of rooms, number of rooms under construction/sanctioned but construction yet to start may also be included
